**Financial Statements
for Year Ended
August 31, 2016
and
August 31, 2015**

Independent Auditor's Report

To the Board of Directors
Teaching Matters, Inc.

We have audited the accompanying financial statements of Teaching Matters, Inc. ("TMI") which comprise the statement of financial position as of August 31, 2016 and August 31, 2015 and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to in the first paragraph on the previous page present fairly, in all material respects, the financial position of Teaching Matters, Inc. as of August 31, 2016 and August 31, 2015 and the results of its activities and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

TEACHING MATTERS, INC.

**Notes to Financial Statements
August 31, 2016 and August 31, 2015**

Note 1 – Nature of organization

Teaching Matters, Inc. (“TMI”) is an educational not-for-profit organization, operating in New York City since May 1994. TMI’s mission is to develop and retain great Teachers and measurably increase their ability to give students in urban public schools an excellent education.

TMI’s sources of financial support include contributions from private individuals, grant awards from public charities and foundations, and fees for services.

Note 2 – Summary of significant accounting policies

Financial reporting

TMI maintains two classes of net assets, as follows:

Unrestricted net assets

Unrestricted net assets are not subject to donor-imposed stipulations and that may be expendable for any purpose in performing the primary objectives of TMI. During 2016, the Board in agreement with management set aside a reserve of \$750,000 (Board-Designated) to be utilized to fund short-term and medium-term programmatic expansion and other identified strategic initiatives.

Temporarily restricted net assets

Temporarily restricted net assets consist of expendable grants and contributions that relate to future periods. When the time restriction ends or the purpose of the restriction is accomplished, temporary restricted net assets will be reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction. During 2016, the assets released from restrictions were used to fund the program described in note 1 to the financial statements.

Temporarily restricted net assets activity as of and for the years ended August 31, 2016 and August 31, 2015 are as follows:

	2016			
	Balance at		Net Assets	Balance at
	August 31,		Released	August 31,
	2015	Additions	from	2016
			Restrictions	
Time restricted	\$ 531,000	\$ 30,000	\$ (416,000)	\$ 145,000

TEACHING MATTERS, INC.

**Notes to Financial Statements
August 31, 2016 and August 31, 2015**

Note 2 – Summary of significant accounting policies (continued)

Temporarily restricted net assets (continued)

	2015			
Balance at August 31, 2013	<u>Support</u>	Net Assets Released from Restrictions	Balance at August 31, 2015	
Time restricted	\$ 176,500	\$ 731,000	\$ (376,500)	\$ 531,000

Grants and contributions

TMI reports contributions that are unrestricted as unrestricted public support. Grants and contributions that are received with donor stipulations that limit the use of the donated assets are recorded as temporarily restricted support. When a donor stipulation expires, that is, when a stipulated time restriction ends or the purpose for restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Cash equivalents

TMI considers cash equivalents to be highly liquid investments with original maturities of 90 days or less.

Investments

Investments are measured at fair value in the statement of financial position. Investment return (including gains and losses on investments, interest and dividends) is included in the statement of activities. TMI also invests in alternative investments. This alternative investment fund is managed by general partners who are affiliated with the same investment management company. The fair value of this alternative investment has been estimated by the general partners in the absence of readily ascertainable market values. However, because of the inherent uncertainty of valuation, those estimated values may differ from the values that would have been used had a ready market for the investments existed, and such differences could be material. This alternative investment can only be redeemed quarterly. Investments are exposed to various risks such as interest rate, market volatility, liquidity and credit. Due to the level of uncertainty related to the foregoing risks, it is reasonably possible that changes in these risks could materially affect the fair value of the investments reported in the statement of financial position at August 31, 2016.

TEACHING MATTERS, INC.**Notes to Financial Statements (continued)
August 31, 2016 and August 31, 2015****Note 2 – Summary of significant accounting policies (continued)**Fair value measurements

Accounting principles generally accepted in The United States of America establish a fair value hierarchy that prioritizes the inputs used to measure fair value into three broad levels. Level 1 inputs are defined as quoted prices in active markets for identical assets that the reporting entity has the ability to access at the measurement date. Level 2 inputs are defined as observable inputs other than Level 1 prices, such as quoted prices of similar assets, quoted prices in markets with insufficient volume or infrequent transactions (less active markets). Level 3 inputs are unobservable inputs that are significant in the measurement of fair value.

Allowance for doubtful accounts

As of August 31, 2016 and August 31, 2015, TMI has an allowance for doubtful accounts of \$50,000 and \$51,744, respectively, for any potentially uncollectible receivables. Such estimate is based on management's experience, the aging of the receivables, subsequent receipts and current economic conditions.

Furniture, equipment and leasehold improvements

Expenditures for furniture, equipment and leasehold improvements over a nominal amount are capitalized and recorded at cost. Depreciation and amortization are computed by the straight-line method over the estimated lives of the assets ranging from three to seven years.

Service and consulting fees

TMI reports services and consulting fees as revenue when services are rendered and the terms of the contracts are met. For services not yet provided, TMI defers the revenue until the next fiscal year.

Functional allocation of expenses

The cost of providing the various programs and other activities has been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from these estimates.

TEACHING MATTERS, INC.

Notes to Financial Statements (continued)
August 31, 2016 and August 31, 2015**Note 2 – Summary of significant accounting policies (continued)****Concentrations of credit risk**

TMI's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents, investments, accounts receivable and contributions receivable. TMI places its cash and cash equivalents with what it believes to be quality financial institutions. TMI has not experienced any losses in such bank accounts to date. TMI invests in equities, fixed income instruments, mutual funds and an alternative investment. Investments are exposed to various risks such as interest rate, market volatility, liquidity and credit. Due to the level of uncertainty related to changes in interest rates, market volatility, liquidity and credit risks, it is reasonably possible that changes in these risks could materially affect the fair value of the investments reported in the statement of financial position at August 31, 2016. TMI monitors the collectibility of its receivables and believes that all accounts receivable and contributions receivables are collectible. As a result, TMI's management believes concentrations of credit risk are limited.

Subsequent events

TMI has evaluated events and transactions for potential recognition or disclosure through November 7, 2016, which is the date the financial statements were available to be issued.

Note 3 – Contributions receivable

As of August 31, 2016, contributions receivable are due to be collected as follows:

Due in one year	\$ 80,000
Due in one to five years	<u>35,000</u>
Total	<u>\$ 115,000</u>

TEACHING MATTERS, INC.

Notes to Financial Statements (continued)
August 31, 2016 and August 31, 2015Notes 4 – InvestmentsInvestments

Investments consist of equities, bonds and exchange-traded funds and are recorded at fair value, which is based on publicly quoted prices.

The following is a summary of investments at fair value:

	<u>August 31, 2016</u>		<u>August 31, 2015</u>	
	<u>Cost</u>	<u>Fair Value</u>	<u>Cost</u>	<u>Fair Value</u>

Less: accumulated depreciation and amortization	<u>569,464</u>	<u>555,629</u>
Net property and equipment	<u>\$ 41,864</u>	<u>\$ 14,144</u>

TEACHING MATTERS, INC.

**Notes to Financial Statements (continued)
August 31, 2016 and August 31, 2015**

Note 6 – Retirement plan

TMI maintains a defined contribution retirement plan and a tax-deferred annuity plan (the “Plan”) covering all eligible employees. All eligible employees may begin participation in the Plan on the first of the month following employment at TMI. Eligible employees may defer a portion of their earnings in accordance with the Internal Revenue Code, with a corresponding matching contribution by TMI not to exceed 6% of their regular salary. Effective January 2014, the matching contribution was increased from 3% to 6%. TMI begins matching contributions after one year of service.

Employees can make additional voluntary tax deferred contributions to the Plan through further salary reductions. Contributions are invested in the Teachers Insurance and Annuity Association and the College Retirement Equities Fund. Total retirement benefit costs for the year ended August 31, 2016 and August 31, 2015 were \$101,961 and \$114,004, respectively.

Note 7 – Commitment

On March 11, 2015, TMI entered into a lease for 5 years and four months expiring November 30, 2020. The rent is based on the amount equal to the tenant’s proportionate share of landlord’s carrying, maintenance, operating and depreciation charge, and the amount of scheduled contributions to the landlord’s capital improvement fund, as outlined in the lease. The monthly rent for 2016 and 2015 was \$13,458 and \$13,131, respectively.

In June 2016, TMI signed an amended lease agreement with their landlord for a reduction of space, which will be in effect on September 1, 2016 and will expire November 30, 2020. This will reduce the monthly rental expense to \$5,653.

As of August 31, 2016, future annual minimum lease payments under this lease are as follows:

<u>Year</u>	<u>Amount</u>
2017	\$ 67,956
2018	67,836
2019	67,836
2020	67,836
2021	<u>\$ 16,959</u>
Total	<u>\$ 288,423</u>

Note 8 – Tax status

TMI is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the “Code”). In addition, TMI has been determined by the Internal Revenue Service to be a publicly supported organization, and not a private foundation under the meaning of Section 509(a)(1) of the Code.
